

components/Confidentialite.jsx

```
graph TD; A[components/Confidentialite.jsx] --> B[React]; A --> C[react]; A --> D[react-native];
```

A diagram illustrating a file path pointing to three different packages. At the top, a dark gray box contains the text 'components/Confidentialite.jsx'. Three blue arrows originate from the bottom of this box and point downwards to three separate light gray boxes. The first box on the left contains the text 'React', the middle box contains 'react', and the third box on the right contains 'react-native'.
